

NLP Practitioner Program

11- 15 September 2006

A Training Program with a Difference!

This program is specifically designed for you with a focus on the application of Neuro Semantics and NLP in the business and commercial worlds. The program is totally focused on introducing you to the many ways you can improve your performance and results in a way that perhaps, you had not thought possible. So get ready for a powerful and exciting 5 days of Executive Evolution, learning, growth, personal development and change.

The techniques used in this training represent the very latest in developments in Cognitive Behavioural Technology and Psychology. You will have the opportunity to use Neuro Semantics, Neuro Linguistic Programming, and other generative forms to help you make profound changes in the way you operate and how you communicate with others in all areas of your business and your life.

This is a "Certification Program" and as such we will be monitoring the application of processes learned throughout the course. From time to time, we will be providing feedback as to how processes can be improved. You will soon learn that this feedback is the basis of all learning. Welcome it and learn from it.

Your NLP Trainer:

Sylvia comes from a background in Banking and Finance in the area of Treasury and Balance Sheet Risk. She spent 13 years in the financial arena before branching out into Human Resources with specific emphasis on Head Hunting elite executives in the Banking and Finance industry. She then moved into the IT industry and worked at the high end of consulting, recruiting for corporations like Cap Gemini Ernst & Young, Peoplesoft and IBM. This exposure to the relationships that were formed, enabled Sylvia to develop a unique understanding of the needs and drivers of these top end executives that she was representing. With her varied experience, Sylvia decided to up-skill herself in the field of Cognitive Behavioural Psychology. Subsequent to that she established Via Group Pty Ltd, which is a company that specialises in Coaching and Training individuals and corporations alike. Sylvia is based in Sydney and is a Master Practitioner, Certified Coach and International Trainer in the fields of Neuro Semantics and Neuro Linguistics Programming
